**Report On Sensitization of Students and employees of the institution to the
Constitutional obligation In College**

Our college ensures that all the citizens of our country strictly follow the sovereign socialism and secularism as mentioned in the constitution of India, so that the students and employees of the college are not deprived of social justice, equality and fraternity in the college. The college never creates a situation of discrimination between the students and the staff. Our college provides equal opportunities to maintain the spirit of caste, religion, color and ethnicity. To maintain unity and integrity among the students, it provides an equal opportunity to all for freedom of thought, expression, belief and expression. Our college strictly adheres to the Constitution of India and never interferes with the constitutional rights of its students and employees. The college lays special emphasis on constitutional responsibilities such as respecting the constitutional ideals and the national flag. At the same time, it takes special initiative and effort to make its students and employees sensitive to their constitutional responsibilities. The Sovereignty of India inspires the students to protect the country to maintain unity and integrity. Providing national service to the college promotes the spirit of harmony and brotherhood. The college gives importance to the cultural heritage of India, emphasizes on maintaining it. The natural environment for all living beings lays emphasis on bodies and their development. Scientific attitude takes the initiative to inculcate the spirit of humanism in the students. The college constitutionally endeavors that every person should properly exercise his constitutional rights, renounce violence and protect public property.
