

Annual Report

As per the need of higher education in Chhuria block of Rajnandgaon district on the sacred land of Chhattisgarh state, Government College Chhuria was started on 14 October 1989. This is the only college of Chhuria block.

The college was started with 10 students, currently 1172 students are enrolled. Presently 08 regular assistant professors and 06 guest lecturers are working in the college. Last year, 05 assistant professors were appointed by the government through Public Service Commission. The no. of employees working in non academic staff under class three and class fourth are eight.

NSS unit in college is operated under which regular activities and 07-day special camps are organised. Through the camp, personality development, value assessment and practical education of social cooperation and goodwill are provided. Volunteers gained reputation by organizing a camp in village Belergondi in the year 2022-23. Created a distinct identity through his works.

A unit of Redcross Society is run in the college, through which health check-up camps, blood donation camps, public awareness camps and health awareness programs are organized time to time.

NCC unit in college is operated currently 12 SW girl students and 24 SD students are registered. Through training, personality development is being done in the students through service to the country and participation in adventure activities etc. Mr. Ushyant Kumar and Mrs. Deepika Dhurve have been selected as officers, who will be going to NCC for training in the near future.

Through the Internal Quality Cell of the college, one-day workshops have been organized regularly for the overall personality development and employment guidance of the students. A new auditorium is under construction.

There are three Ph.d holders in our college. Dr. Sushma Choure (Netam), Dr. Rajendra Sharma and Dr. H.S. Bhatia. Two research papers of Dr. Sushma Choure (Netam) were published in the journals of UGC Care List.

Dr. H.S. Bhatia is working as research supervisor and examiner of PhD thesis. He conducts viva-voce of research scholars. His 06 research papers have been published in journals of UGC Care list.

The college was evaluated by NAAC in which the college received B grade. Last year the examination results of the college were excellent.
